

The appointment was conducted via telemental health/clinical video teleconferencing (CVT).

Patient has been informed of and verbally consented to the following:

1. The nature of telemental health and its benefits and risks.
2. Confidentiality and its limits.
3. The emergency plan (see below for details).

EMERGENCY PLAN

In the event of an emergency, provider may:

- As available (e.g., Clinic, shelter) and appropriate, attempt to alert on-site staff to the situation so that they can initiate the existing on-site emergency protocol.
- Call e911 at 267-908-6605 and ask to be connected to emergency services for the location of the emergency.
